

VIEW FROM CHURCH BUILDING IN CHINGELTEI

FIRST FRUIT FROM OGIINOOR

Jesus walked from Galilee to Jordan to receive proper baptism. Almost 2000 years later in Mongolia 5 people made a 10 hour 250 mile trip to receive proper baptism from that same authority.

This is all very new to the people at Chore, so this was a great testimony to the people of the town and also to the town's leadership.

BIBLE SCHOOL BEGINS 5TH YEAR

This first month of services in Ogiinor, led by our Mongolian missionary Erdenebayar, produced 5 souls professing Christ. All five desired to follow Christ's example, be baptized and join His church. Special services were held at Rich Heart Baptist Church to welcome these into the Church. Brother Erdenebayar conducted his first baptizing, and with the tutelage of Brother Egi he did not drown anyone. Though there was a moment. Brother Erdenebayar said, "Since coming to Rich Heart Baptist Church two years ago, my life has been like a dream I could never have imagined." Brother Erdenebayar has an irrepressible personality, and has never met a stranger. Just the personality a missionary needs. Please continue to pray for the Lord's work in this rural community.

Bible School began this year with record attendance. 56 for the first week's class and 66 students (46 women and 20 men) for the second week. For many of our Church members there is a burning desire to

learn what the Lord wants them to do with their lives. Winter and extremely cold weather are almost here but the work of our great God is

c o n -
t i n u i n g

at a fervent pace.

COOPER'S ARE HOME!

NEW CHURCH IN CHORE GROWS.

Chore Landmark Rich Heart Baptist church, with Brother Agi as her pastor saw four additions, by profession of faith and all desiring to be baptized. This was the first time in almost 8 years of meetings in Chore that they did not travel to Ulaanbaatar for special services. Today they are a fully functioning church and they held their first baptizing at the river.

Bill and Carolyn Cooper arrived safely home from their first furlough to the states. The Cooper's and everyone here are all looking forward to what God is going to do in the next year. Please remember to keep our men, Bible translation, and missionaries in prayer.
